GDC Development Outcome: The GDC’s four development outcomes that CPD must be mapped against for each activity.

- A. Effective communication with patients, the dental team, and others across dentistry, including when obtaining consent, dealing with complaints, and raising concerns when patients are at risk
- B. Effective management of self, and effective management of others or effective work with others in the dental team, in the interests of patients at all times; providing constructive leadership where appropriate
- C. Maintenance and development of knowledge and skill within your field of practice
- D. Maintenance of skills, behaviours and attitudes which maintain patient confidence in you and the dental profession and put patients' interests first
